

Environmental Policy Peerless Europe Limited

Peerless Europe Limited is committed to minimising the impact of its operations on the environment throughout its business activities wherever this is practicable. As a relatively small company, the environmental impact of our activities is minimal, but our efforts in conjunction with those of other like-minded organisations could have an impact on the environment and the way in which we all work and live

As such our aim is to implement and maintain an Environmental Management System (part of its HSE management system) that meets:

1. Our business needs
2. The requirements of ISO14001: 2004

The company will meet all current UK Environmental Legislation related to its business operations, ensure it meets future legislation when required and any customer specific environmental requirements

The company will also on a continual improvement basis reduce its impact on the environment by increasing our environmental performance, by setting measurable environmental improvement objectives aimed at either:-

1. Prevention (Elimination of environmental unfriendly activity)
2. Reduction (Reduce the use /effect of company activity)
3. Recycling (Recycling of waste where possible)

All Staff will be made aware of our:-

1. Environmental Policy
2. Company's HSE Management System and their responsibilities within it.
